N.º 13. ESTRÊLA

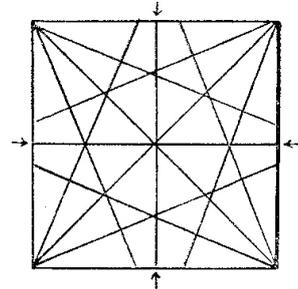

Papel quadrado, branco, fino

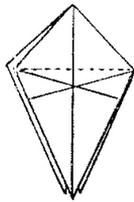

1. Vincar.

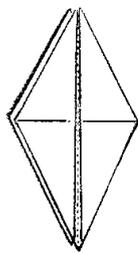

2. Vincar para o lado oposto.

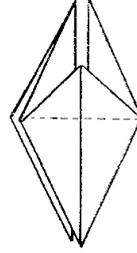

3. Levantando simultaneamente o meio dos quatro lados e duas pontas opostas, até estas se encontrarem, as outras duas fecharão sobre elas, formando a fig 4

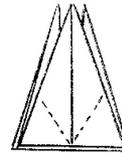

4. Dobrar frente e costas para cima.

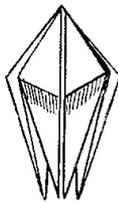

5. Dobrar dos lados, para cima, a frente, e, para baixo, as costas.

6. Dobrar frente e costas para cima.

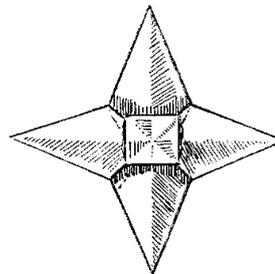

7. Dobrar os quatro cantos, 2 para cada lado.

8. Enfiar um polegar em cada cavidade de cada lado do bico bipartido do meio, e apoiando o bico de baixo sobre o indicador, abrir para os lados formando uma estrêla.

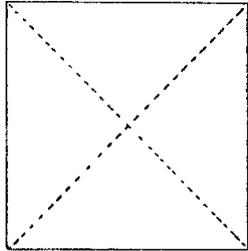

9. Feito.

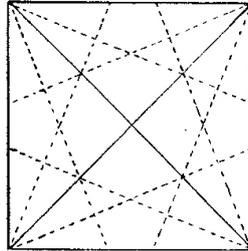

Nota dobra-se

N.º 14. PATINHO

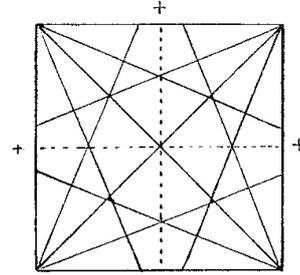

Papel quadrado, branco, grosso

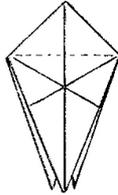

1. Vincar

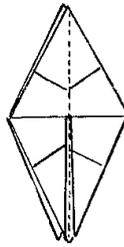

2. Vincar do lado oposto

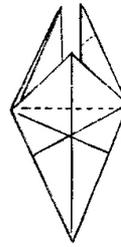

3. Vincar, do mesmo lado de 2. Levantando simultaneamente o meio dos quatro lados e duas pontas opostas, até estas se encontrarem, as outras duas fecharão sobre elas formando a fig. 4.

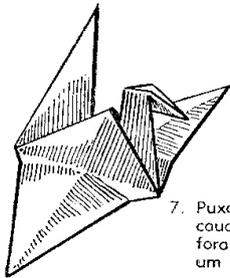

4. Dobrar frente e costas para cima.

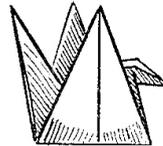

5. Dobrar dos lados, para cima, a frente, e, para baixo, as costas.

6. Dobrar a ponta marcada de cima para frente, formando bico e erguer as pontas de baixo, uma para cada lado, formando as asas.

7. Puxar o pescoço e a cauda um pouco para fora firmando-as com um vinco embaixo.

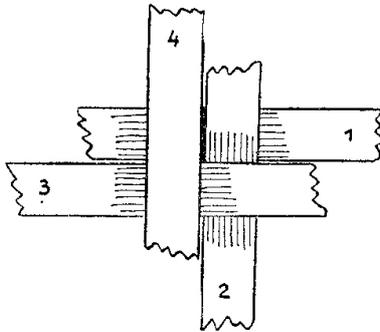

8. Feito. Segurando firmemente com os dedos da mão esquerda a ponta de baixo da frente, e puxando e empurrando a cauda, o patinho baterá as asas como uma verdadeira ave.

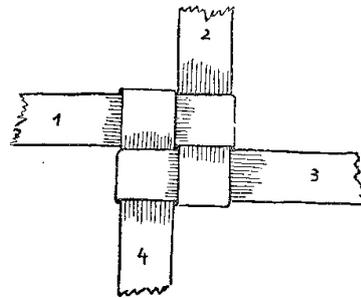

Nota dobra-se

N.º 3. GUIRLANDA

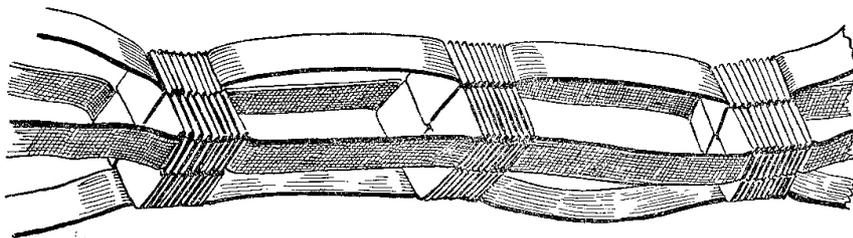

Fitas de papel de côr (serpentina)

Colocar 4 fitas; 2 sobre 1, 3 sobre 2, 4 sobre 3 e abaixo de 1. Dobrar em seguida, sobre o quadrado, fitas 4, 3, 2 e 1 e enfiar esta na alça formada por 4.

2. Dobrar fitas 1, 2, 3 e 4 e enfiar esta na alça. Prosseguir, começando alternadamente por 1 e 4, até formar um-fole de 10 ou mais dobras. Fazendo foles iguais de 10 em 10 centímetros das fitas forma-se uma guirlanda multicor do comprimento que se quiser. Quando necessário ou desejando-se gomos de côres diferentes, emendam-se as fitas, colocando ponta sobre ponta e dobrando as outras por cima.

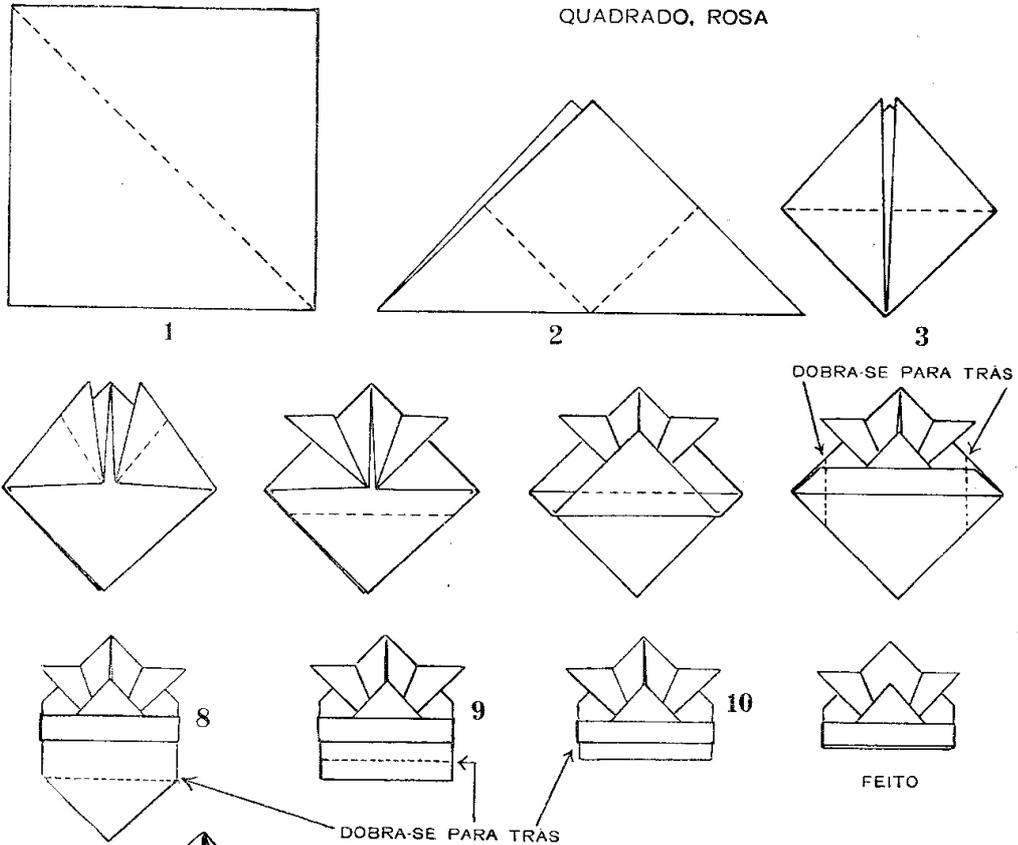

3. Feito.
